[Mr. Chairman] [14th February 1950

it is better that there is some division by which one group may make suggestions and criticize the Government and the other support the Government. That would be proper in my view, of course, subject to what we may decide later on in the committee when it is formed. I thank the House for the valuable discussion.

"I now adjourn the House to meet at 11 a.m. on Thursday, the 16th February 1950."

The House then adjourned.
